**\*\* JUST ARRIVED THIS WEEK \*\* A TRULY EXCEPTIONAL EXAMPLE \*\*** We have taken stock of this great B-Class, with low warranted mileage of 54.4K, a good 22K lower than average. From our limited experience so far, B-Class Mercs are highly sought after - as they are of great size, what you can fit into one will amaze you when you come to have a look. This car is ULEZ Compliant, which is brilliant news for those worried about the new regulations and the extensions to the ULEZ zone that was announced recently. The car has been serviced at 54.3K by us and from the partial service history given to us, we can see that it has been all by Mercedes themselves and now by us at 54.3K on 15th of July 2021. MOT till 31/7/2022 & Clean MOT.
