SERVICE HISTORY
 VEHICLE STABILITY CONTROL
 METALLIC PAINT

**** Ready to drive away **** This little beauty has great bodywork on it and its immaculate for its age. The car comes fully prepped and has been serviced in May 2021 @50000miles and comes with a clean MOT valid till June 2022. The car has just had a new clutch - so it is good to go for many years to come. This 2 owner car comes with full service history and has is HPI Clear (Report available at the yard or via WhatsApp on request) and comes with warranted miles, the MOT history is online too for you to check. The car has air conditioning, electric windows, electric mirrors, multifunction steering wheel, fantastic audio system with aux connection. Please do call us to book your test drive and the car is ULEZ and E10 Compliant. First to see with buy. We hope to achieve £2,899 for the car, which is £200 below Auto trader average for this car - the car is also 20000miles below average for its age. 12 MONTH FREE AA BASIC BREAKDOWN COVER AND COME 3 MONTH WARRANTY WITH THE ASKING PRICE COVER...
